UPDATE FROM THE UPPER ROOM MISSION

Here are some quick stats. Last year we helped 20 people get off the streets, either through treatment, finding employment or homes. Last year we recycled 105 thousand pounds of clothing. This is clothing that we could not sell in our store. Instead, we shipped it to Vancouver where it is taken overseas and given to the needy in Africa. At the end of March this year we served on average 225 meals a day. Thanks for helping us to make this happen.

SELF-SERVE SUMMER COFFEE

During the summer months, coffee after worship will be self serve and we will be using disposable cups. Your cooperation will ensure that all the hard working groups in our church get the summer off.

THANK YOU...

all the volunteers at Trinity for the hard work and numerous hours that you have donated in order to help our church run as smoothly as possible. From the gardening crew to the office volunteers, the UCW to the Men's Group, the governing bodies to the individual committee members, thank you and have a wonderful summer everyone!

DON'T FORGET...

Save your Campbell Soup labels and grocery store receipts from Butcher Boys, Buy Low, and Coopers. We also save the pull-tabs from canned beverages. Soup labels help students at surrounding schools purchase necessary items for classrooms. Grocery receipts help purchase supplies for coffee time after morning worship and pull-tabs help build and repair wheelchairs for the handicap.
