Naarai Kir is a Hebrew phrase meaning "Youthful Gathering"

For over 18 years the teenagers that form the K/OK Presbytery Youth Council have been organizing an annual retreat for youth ages thirteen to nineteen.

It is a time for connecting with youth beyond your local church, meeting new friends, exploring important topics, growing, and having a great time while doing it!

Leaders are welcome with or without youth from their congregation, but if four or more youth attend from your church, a leader must attend.
